PROVIDING INFORMATION TO AGENCY

| Information relating to Critical Information Infrastructure (CII) | | | |
|--|--|--|--|
| | | | |
| The owner of the Critical information infrastructure is required to provide the following | | | |
| information to the Agency- | | | |
| | | | |
| A. The following information on the design, configuration and security of the critical | | | |
| information infrastructure: | | | |
| i. A network diagram depicting every key component and interconnection in the | | | |
| critical information infrastructure, and any external connection and dependency that the critical information infrastructure may have | | | |
| and the critical missimulasi mirastructure may nave | | | |
| | | | |
| ii. For every key component in the critical information infrastructure, the following details: (Fill the box in the right side of the below table) | | | |
| details. (I til the box in the right state of the below table) | | | |
| | | | |
| a) Its name and description; | | | |
| | | | |
| | | | |
| b) Its physical location; | | | |
| | | | |
| c) Any operating system | | | |
| and version; | | | |
| | | | |
| d) Any key software and | | | |
| version; | | | |
| | | | |
| | | | |

| (e) | Ita intornat protocol | | |
|--------|--|---|-------------------------------------|
| | Its internet protocol | | |
| | address and any open | | |
| | port, if the component is | | |
| | internet facing; | | |
| f) | | | |
| | the owner | | |
| | | | |
| | . TP1 | | |
| g) | | | |
| | the operator | | |
| | | | |
| iii. | The types of data process | used on or stored in the | aritical information infrastructura |
| 111. | | ssed on or stored in the | critical information infrastructure |
| | (Fill in the box below) | | |
